G8-UNESCO World Forum on 'Education, Research and Innovation: New Partnership for Sustainable Development'

Trieste, Italy, 10-12 May 2007

Under the High Patronage of the President of the Republic of Italy

We will promote the global innovation society by developing and integrating all three elements of the knowledge triangle (education, research and innovation). We will do so by investing fully in people, skills and research, and by supporting the modernization of education systems to become more relevant to the needs of a global knowledge-based society.

(G8 Summit, St. Petersburg – 16 July 2006)
